Winter Heating Tip

Remember to change out your furnace filters this winter. A clogged filter will make your furnace work twice as hard to heat your home. Save yourself some money this winter and get them changed!

7 Reasons Why You Aren't Sticking With Your New Year's Resolutions

- 1. You're setting vague goals=** "Running more" or "eating healthier" are examples of vague resolutions. Instead change your resolutions to running 20 minutes a day, or avoid eating after 6 p.m.
- 2. You're not setting benchmarks=** Set specific benchmarks for your resolutions. Instead of running 20 minutes a day indefinitely, begin by running 20 minutes a day, 4 days a week, for 2 months.
- 3. You're setting too many goals-** Your chances of success increase when you narrow your resolutions. It's better to permanently adopt running than never change anything.
- 4. You're not measuring them-** When you track your resolutions you reinforce positive behavior. By not tracking them you are making it easier for yourself to stop pursuing them.
- 5. You're not sharing them-** It's been proven that when you share your resolutions with others you are more likely to succeed. Having someone else hold you accountable for your resolutions helps you keep going.
- 6. You're not expecting setbacks-** Changing your habits can be extremely difficult. Statistically most people will experience setbacks. Don't get discouraged and resolve to try again.
- 7. You're not giving yourself enough time for results=** It takes 3 weeks of consecutive behavior for something to become a habit. Last 3 weeks and chances are you will succeed with your resolution!

Don't forget to make sure your dog gets his license! All dog licenses expire at the end of the year. The fee to register your canine is due Jan 30, 2014. After March 1st the fee will be considered delinquent.

New dog owners have 30 days to apply for a license.

- ♦ **Spayed/neutered male or female: \$6**
- ♦ **Unspayed/unneutered male or female: \$15**

Retrieving your dog from the pound will cost \$20 and an additional \$8 for everyday the dog stays as a guest of the pound. Do not let your dog stay longer than five days.
